Overview:Oasis is one of the newest and most modern projects on the Costa el Sol. A true habitable work of art, an oasis with spectacular views of the Malaga coast with a simply exquisite design. Designed by the architecture studio of A-cero, with Joaquín Torres and Rafael Llamazares, created an unmistakable design With a spectacular design like the residential gardens, where the pool occupies a central place, flanked by vegetation and the unmistakable sculptural forms that characterize the project. A unique environment capable of turning every day into a perfect day. All the houses have a perfect orientation and a large glazed surface bring the Mediterranean sun to all the rooms of the house, where the living room, with its large floor-to-ceiling window and its panoramic terrace shines with its own light. Fully furnished kitchens, Appliances: oven, microwave, hob induction, extractor hood, refrigerator, dishwasher and sink with taps Handle. AIR CONDITIONING AND VENTILATION Air conditioning hot and cold through ducts, with impulsion grids in living room and bedrooms. Production of domestic hot water by air heater or electric water heater plus solar panels A real gem less than 15 minutes from the center of Marbella, 8 minutes drive from the beach, shopping area and supermarkets. Located on the New Golden Mile in an area that continues to increase its revaluation at great speed. As this is a new construction, this price is subject to change without prior notice. Ideal to invest, as a second home and for those who enjoy a quiet, natural environment with all the comfort of the most modern projects. Buying new build properties offers multiple advantages. First, the homes are modern, with current designs and high-quality materials, ensuring greater durability and energy efficiency. Additionally, they often feature the latest technologies and finishes that enhance comfort and long-term savings. Since these are newly built properties, the chances of costly repairs or structural issues are minimal. Also, as a brand-new product, you can personalize certain aspects like finishes and layout. In summary, investing in a new build property is a safe, modern choice with many long-term benefits.
