Overview: Luxury apartments in the center of Fuengirola. Between Marbella and Malaga, Fuengirola is one of the liveliest cities on the Costa del Sol, one of the residential jewels in the area and a rising value with a high quality of life. Living in Edificio España means enjoying leisure, culture, services, tranquility and the Mediterranean lifestyle without giving up anything. Its elegant style makes this construction an example of current architecture in which everything has been designed with the comfort of its inhabitants in mind. It was created with the aim of becoming an emblematic building in Fuengirola and throughout the Costa del Sol. The outdoor landscaped areas, garages, shops and passageways maintain the elegant and modern style that characterizes the Edificio España. The prestigious architecture studio A-cero, led by Joaquín Torres and Rafael Llamazares, signs a work with its own style that reflects an exclusive concept of quality of life: current, elegant, classy and in line with the latest technologies that make the habitability a pleasure for the senses. Exquisite down to the last detail in an emblematic building designed by A-cero on the Costa del Sol.
