Overview: Ambitious project of luxury apartments on beachfront in Estepona, five minutes driving from Estepona Port, with its area of bars, shops, supermarkets, schools and walking distance to restaurants and small supermarkets. Located in a booming area where some of the most modern complexes are built, an excellent investment opportunity since it is expected to concentrate in this part of the coast the most modern projects. Residential complex with luxury apartments, distributed over one, two and three floors, with floor-to-ceiling windows that offer outstanding views of the sea without obstacles. The design of them provides a large amount of space and has large panoramic terraces. Located in the Malaga city of Estepona, it also has a wide and varied range of first class amenities with all the comforts: The Health and Wellness Centre, an outstanding space with gym, sauna and steam rooms, and a 54-foot indoor pool. The Club, with gourmet room and wine cellar, and a pleasant summer lounge that overlooks the main garden of the building. Infinity pool facing the sea. Garage. In addition, future owners have the personalization service thanks to which they can choose between different distribution and customization alternatives to get the home that best suits their lifestyle. In the outstanding urbanization it allows you to live next to the best beaches of the Costa del Sol as well as the Spanish Mediterranean. Its incredible temperatures will make you live continuously in summer enjoying more than 300 days of sunshine. In turn, within walking distance are the more than 70 golf courses on the Costa del Sol and the marina to enjoy sailing, and other water sports such as diving or surfing. In addition, the Sierra de Estepona offers a connection with nature and incredible views of the bay. Last units for sale.
