Bedrooms: 3	Bathrooms: 3	M²: 143	Price: 594,000 €
Status: Sale	Property Type: Penthouse	Parking places: by request	Printing day : 30th October 2026

Overview:This beautiful complex has apartments for sale that are located in one of the best areas of the Costa del Sol, just 5 minutes from the beach and 10 minutes by car from two of the most important cities on the Costa del Sol, Fuengirola and Benalmádena, also has easy access to both ports. Exclusive area in a closed and private area. This is a real estate marvel, what we really see is a luxury complex, not only because it has been built with the highest quality, but because its composition and characteristics allow us to refer to the most refined design of the European tradition. It perfectly combines timeless elegance with the most modern and popular styles. It is surrounded by green areas, cool in summer and sunny in winter, perfect for relaxing in tranquility. There are ground floor apartments, 1st floor apartments and beautiful duplex penthouses with stunning panoramic views. This project consists of apartments with 1, 2 and 3 bedrooms. Consisting of a building with 8 homes, which include a parking space. Designed for people with good taste who care about their well-being and that of their family. Definitely, an ideal place to disconnect and reconnect with your essence in the middle of a natural environment, where you can enjoy more than 3,000 hours of sunshine a year and the majestic sunsets that this wonderful Costa del Sol city gives us. The design of the residential complex is conceived around three axes: seeking maximum comfort for residents, making efficient use of space and resources, and doing so in a way that is respectful of neighbors and the environment. Thermal comfort is one of the keys to enjoying life at home, so it is important to consider research on sunlight to make the most of it and minimize the effects of the midday sun. High-quality exterior carpentry, a high degree of insulation in the building envelope and a controlled ■air ■renewal ■system ■keep ■the house cool in summer ■and ■warm in ■winter, reducing ■the need for state-of-the-art air ■conditioning ■installed in all ■homes ■. Apartments ■from ■€495,000 ■to ■€594,000
