Overview:"Investment opportunity in the industrial estate of Malaga! This industrial warehouse for sale has a plot of 1,496 m2 and a constructed area of 955 m2, which makes it an ideal space for any type of business. In addition, its mechanical workshop license, painting chambers and three-phase lighting are features that make it even more attractive for those looking for a space for their company. The industrial warehouse is fireproof and has a fantastic front patio, perfect for access of vehicles and merchandise. Inside, you will find an office and two bathrooms, which makes it even more functional and practical for the day-to-day running of your business. Built on a single floor, this industrial warehouse is a unique opportunity for those looking for a space in the industrial estate. Do not miss the opportunity to visit it!"
