**Interior Description** The interior has been carefully reconfigured to create a refined yet practical family home. A bright, dual-aspect open-plan living and dining area forms the heart of the apartment, opening directly onto the gardens and providing a seamless connection between indoor and outdoor spaces. The contemporary kitchen is fully fitted with integrated appliances and clean-lined cabinetry, offering a functional and elegant setting for daily living and entertaining alike. Two spacious principal bedrooms feature modern en-suite bathrooms and fitted wardrobes. Two further bedrooms - one arranged as twins and one as a bunk room - provide flexibility for children, guests or visiting family. A third full bathroom serves the secondary bedrooms and main living areas, maintaining comfort and privacy for all occupants.

**Outdoor Living** The private courtyard offers a discreet, shaded retreat for morning coffee or evening relaxation. From the main living space, residents step directly onto the south-facing communal gardens and pool area - a rare combination of privacy and openness that works particularly well for families and longer stays.

**Community & Amenities** Villa Marina is a well-established, gated residential community where short-term holiday rentals are not permitted. This creates a notably peaceful atmosphere with consistent neighbours, enhanced security and a sense of permanence that is increasingly valued at this level of the market. Residents benefit from: \* Landscaped communal gardens and swimming pool \* Secure internal parking \* Low-rise architecture and a quiet, residential feel \* A stable, owner-focused community just moments from the coast

**Location & Lifestyle** Set beachside of the main road, the apartment enjoys a privileged yet discreet position close to Puerto Banús while remaining removed from its late-night noise. \* Approximately 5 minutes' walk to La Sala Beach Club (via private access) \* Around 10 minutes' walk to the beach and Ocean Club Marbella \* Around 15 minutes' walk to Puerto Banús marina

Excellent transport links connect Marbella, San Pedro de Alcántara and Estepona, with direct routes to Málaga Airport — ideal for families splitting time between Spain and abroad. All measurements are approximate and subject to verification.
