Overview:Freehold Business Transfer (traspaso) – Exceptional Investment Opportunity in Málaga Presenting a rare opportunity to acquire a fully operational Craft Micro Brewery with an adjoining bar, offered as a freehold business transfer in Málaga area (West of the city centre). This established brewery boasts a proven track record and a growing presence on the Costa del Sol. The business includes a micro-brewing facility with modern equipment and brew master (1 employee), efficient production capacity, and well-maintained installations. The adjoining bar offers a stylish, welcoming space ideal for tastings, events, and direct-to-consumer sales, enhancing the brand experience and boosting revenue. With successful distribution agreements in place with hotels across the Costa del Sol and the potential for sales distribution partnerships with independent bars, this brewery benefits from a solid client base and expanding demand for artisanal products. The business is fully licensed, operational, and ready for seamless takeover. Whether you're an investor seeking a turnkey opportunity or an entrepreneur looking to enter the booming craft beer market, this freehold asset offers excellent long-term potential and multiple revenue streams. Key features: - Freehold premises with production facility and adjoining bar - Established distribution network with hotels and independent venues - Fully equipped brewery with modern machinery - Strong brand presence and growth potential - Turnkey operation with immediate income For further details or to arrange a visit, please contact us.
