The house has its entrance on the first floor, where the living area is located. Here we find a functional kitchen, a guest toilet, and a spacious living-dining room with access to several terraces from which pleasant sea views can be enjoyed. An ideal space for living and sharing, with a south-facing orientation that ensures luminosity throughout the day. From the terrace on this floor, there is access to a private solarium, which is one of the main attractions of the property. This space has a storage room and an additional room that can be used as a bedroom, office, leisure room, or guest area, offering multiple possibilities according to the needs of the new owner. The ground floor houses the sleeping area, consisting of three bedrooms and two bathrooms, one of them en-suite in the master bedroom. Both the master bedroom and one of the secondary bedrooms have direct access to a private garden of approximately 50 m², an intimate and pleasant space that connects directly to the community pool, ideal for enjoying the climate and outdoor living. The property has private parking right at the door, providing everyday convenience. Although it is a townhouse, the adjacent properties are built in a staggered manner, which means that very little wall is shared with neighbors, providing a greater sense of independence.
