This beautifully presented 3-bedroom penthouse offers the kind of Costa del Sol lifestyle buyers dream about: open views, elegant indoor-outdoor living, and a location that places you perfectly between Marbella and Fuengirola. Set within a popular urbanisation in an exclusive golf area, the apartment enjoys a privileged position right beside Miraflores Golf, making it an excellent choice for golf enthusiasts as well as anyone looking for peace, views and easy access to the coast. And with the beach only around 1,000 metres away, you can move effortlessly between fairways, sea breezes and long sunny lunches by the shore. The home stands out for its wonderful terrace space, designed for real enjoyment. Here you can cook in the outdoor kitchen, entertain friends in style, or even start the day on the treadmill while looking out across the Mediterranean. It is a terrace that feels like an extra living room — only with better weather and far better views. Inside, the property combines comfort and practicality with a bright and inviting atmosphere. The apartment offers three bedrooms, a guest toilet, and two bathrooms, one of them en suite. The bathrooms have been newly renovated, giving the home a fresh and contemporary feel. A separate laundry room with washing machine and sink adds everyday convenience and keeps the main living spaces uncluttered. This is a penthouse that delivers more than square metres.
